INGangNetwork: The **ONLY** Statewide Gang Database

Share the 4 easy steps to become a member with other law enforcement and criminal justice personnel.

1. Visit INGangNetwork online at www.in.gov/iifc/2329.htm.
2. Click on INGangNetwork Membership Process link at bottom of the screen.
3. Complete the INGangNetwork application, user agreement, and privacy policy.
4. Complete the 28 CFR Part 23 online training and submit your certificate with your application.

What You Can Do as an <u>Active</u> Member of INGangNetwork

- Enter and search gang intelligence in one centralized location in which law enforcement and criminal justice members have direct access.

- Members have the ability to share criminal gang activity.

- Gang members of any age can be entered into the database.

- Link analysis, photographs, deconfliction.

- It is **FREE** and **EASY** to use online or on mobile devices.

- Utilizing the database increases awareness; increased awareness allows law enforcement and criminal justice personnel to stay safer on the job.

"80% of gang members say they would leave the gang if offered the right help."

-National Gang Research Center

Will you help save a child from gangs?

INGangNetwork is Involved in Significant Pilot Programs Allowing All Members Access to Additional Gang Databases

1. <u>BJA National Gang Sharing Project</u> - Indiana and Florida Fusion Centers have been selected to lead the national effort to share gang criminal intelligence among each other.
2. <u>Purdue University VACCINE</u> - Members will be given the opportunity to access a gang graffiti/tattoo database. Gang graffiti images will be indexed and stored (time and GPS coordinates) in the database.
